TREASURY
UNCLAIMED PROPERTY

ROB McCORD / PENNSYLVANIA STATE TREASURER

CLAIM WHAT'S YOURS

Last year, the Pennsylvania Treasury returned more than \$100 million of unclaimed property.

We might have money for you – just search www.patrealty.gov or call 800.222.2046 to find out.

Every year, Treasury receives millions of dollars in unclaimed property. Things like:

**Abandoned bank accounts / Forgotten stocks / Uncashed checks / Certificates of deposit
Life insurance policies / Safe deposit box contents / Recovered stolen property**

Treasury works hard to find the rightful owners of this unclaimed property.

But even if we can't find you, you can claim your property.

It's easy. Just visit www.patrealty.gov and look for your name.

We're only required to publish the names of owners of property worth more than \$250 one time – so even if you don't see your name this year, it's worth searching our web site periodically.

One of the Treasury's most important jobs is to collect, advertise and return unclaimed property.

Maybe your parents had a safe deposit box that you didn't know about when you settled their estate.

What's in that box belongs to you, and we encourage you to come and get it.

There could be money waiting for you, right now!

patrealty.gov

Even if your name does not appear on this list, we may still have property for you.
