# Team Account Program

**Manage CLE Compliance For Your Entire  
Legal Team With One Purchase**

A CLE Center Team Account subscription is a customizable and easy to manage service that provides your legal team unlimited access to our entire online, on-demand CLE course catalog. A Team account includes an administrative seat license that allows your in-house administrator to control your team's CLE access from behind the scenes.

# Team Account Program

## Seamless Team Account Management

- Keep your team's CLE progress organized with CLE Center's user-friendly system for attorneys licensed in one or multiple states.
- CLE Center offers unlimited access to accredited programs for each member – connecting them to premium content and personalized customer service from our knowledgeable staff.
- Account Administrators have access to view the status of attorney credits, run compliance reports and more!

## Premium Content

- Our extensive course library of over 1,000 courses includes exclusive content from ALM's signature events such as Legalweek and Women, Influence, & Power in Law (WIPL).
- Premium content providers also include the American Bar Association and a host of other high-quality speakers.
- Courses are available in audio and video formats for multiple practice areas, with new courses added regularly.
- Since our topics cover various components of law, our courses are also beneficial to law librarians, paralegals and other legal law professionals.

## Team Account Program

### TEAM ACCOUNT DASHBOARD

Easy to navigate team dashboard to track and manage from ONE login

Team roster management to add or remove team members, suggest courses, or create custom groups by jurisdiction or practice area

Visual team tracker that shows individual requirement completion by individual

Team account customizations to fit specific business needs
